

MY CARTOON CHARACTER

Plos is a baby turtle and he is really cute. His home is in the ocean near Sidney, Australia. He hasn't got a nickname. Plos has no hair - he is bald. His eyes are big and brown but his body is small because he is still a baby. He is always happy, confident and friendly. He has got many friends and a large family. He constantly travels with them. His favorite hobby is swimming.

Plos is the cutest cartoon character I have ever seen. I love him so much.
