

## Project 2

### My Cartoon Character

This is a photo of my favourite cartoon character!

His name is Jerry. He is an animal - a mouse, who lives in Tom's house. His nickname is Jerry. They live somewhere in America. They have a beautiful house.

I think he is very young but I don't know how old he is. Jerry is a very small brown mouse. He has got big ears and a wide smile. His eyes are black. He can't speak but he can run fast. He is very intelligent and often annoys the cat. Tom is his best friend and his best enemy because he wants to catch him.

Jerry's best food is cheese.

He is never sad and he is so cute!

I love Jerry!
