

Project 2

My Cartoon Character

My favourite cartoon character is Patrick. He is a sea star. He is SpongeBob's best friend in the SpongeBob SquarePants series.

He lives under a rock in the underwater city of Bikini Bottom. It is in the Pacific Ocean.

He is short and fat. He has got coral pink body and black eyes. He wears green pants with big flowers on them. He hasn't got hair because he is a starfish.

He is lazy, unintelligent, friendly and very strong. He is a good driver. His favourite things are jelly fishing, eating junk food, doing nothing, sleeping and mermaids.

He has got a big family and many friends - SpongeBob Square Pants, Gary the Snail and others.

I like Patrick!

This is his best friend  SpongeBob Square Pants!!!
